# MIKE MIGNOLA'S HELLBOY

**STEP 1:** Print this page on cardstock or regular paper. Use scissors or a craft knife to cut out Itty Bitty Hellboy's body and each of his arms. Do not cut along blue lines in the body or arms—these lines are where you will fold the paper.

**STEP 2:** Take Itty Bitty Hellboy's body and make all of the folds along the blue lines for the body and the tabs. Make each fold away from you except for Itty Bitty Hellboy's legs. For Itty Bitty Hellboy's legs, fold the top blue line toward you and the bottom blue line away from you. This will help him sit on the edge of a table or shelf.

**STEP 3:** Glue the tabs to the inside of Itty Bitty Hellboy's body. The glued tabs will create a box (his jacket).

**STEP 4:** Fold each of Itty Bitty Hellboy's arms in half along the blue line and glue the two sides together. Glue each arm to Itty Bitty Hellboy's sides.
