NO, I THINK HE'S WRITING..
The Dog Who Never Did Anything
"You stay home now," they said, "and be a good dog."
So he stayed home, and was a good dog.
Then he decided to be even a better dog so he barked at everyone who went by.
And he even chased the neighbor's cats.
"What's happened to you?" they said. "You used to be such a good dog."
11-21
So he stopped barking and chasing cats, and everyone said, "You're a good dog."
The moral is, "Don't do anything, and you'll be a good dog."

THE DOCTOR IS IN
Dear Friends,
I have been fortunate to draw Charlie Brown and his friends for almost 50 years. It has been the fulfillment of my childhood ambition.
Unfortunately, I am no longer able to maintain the schedule demanded by a daily comic strip. My family does not wish Peanuts to be continued by anyone else, therefore I am announcing my retirement.
I have been grateful over the years for the loyalty of our editors and the wonderful support and love expressed to me by fans of the comic strip.
Charlie Brown, Snoopy, Linus, Lucy...how can I ever forget them...

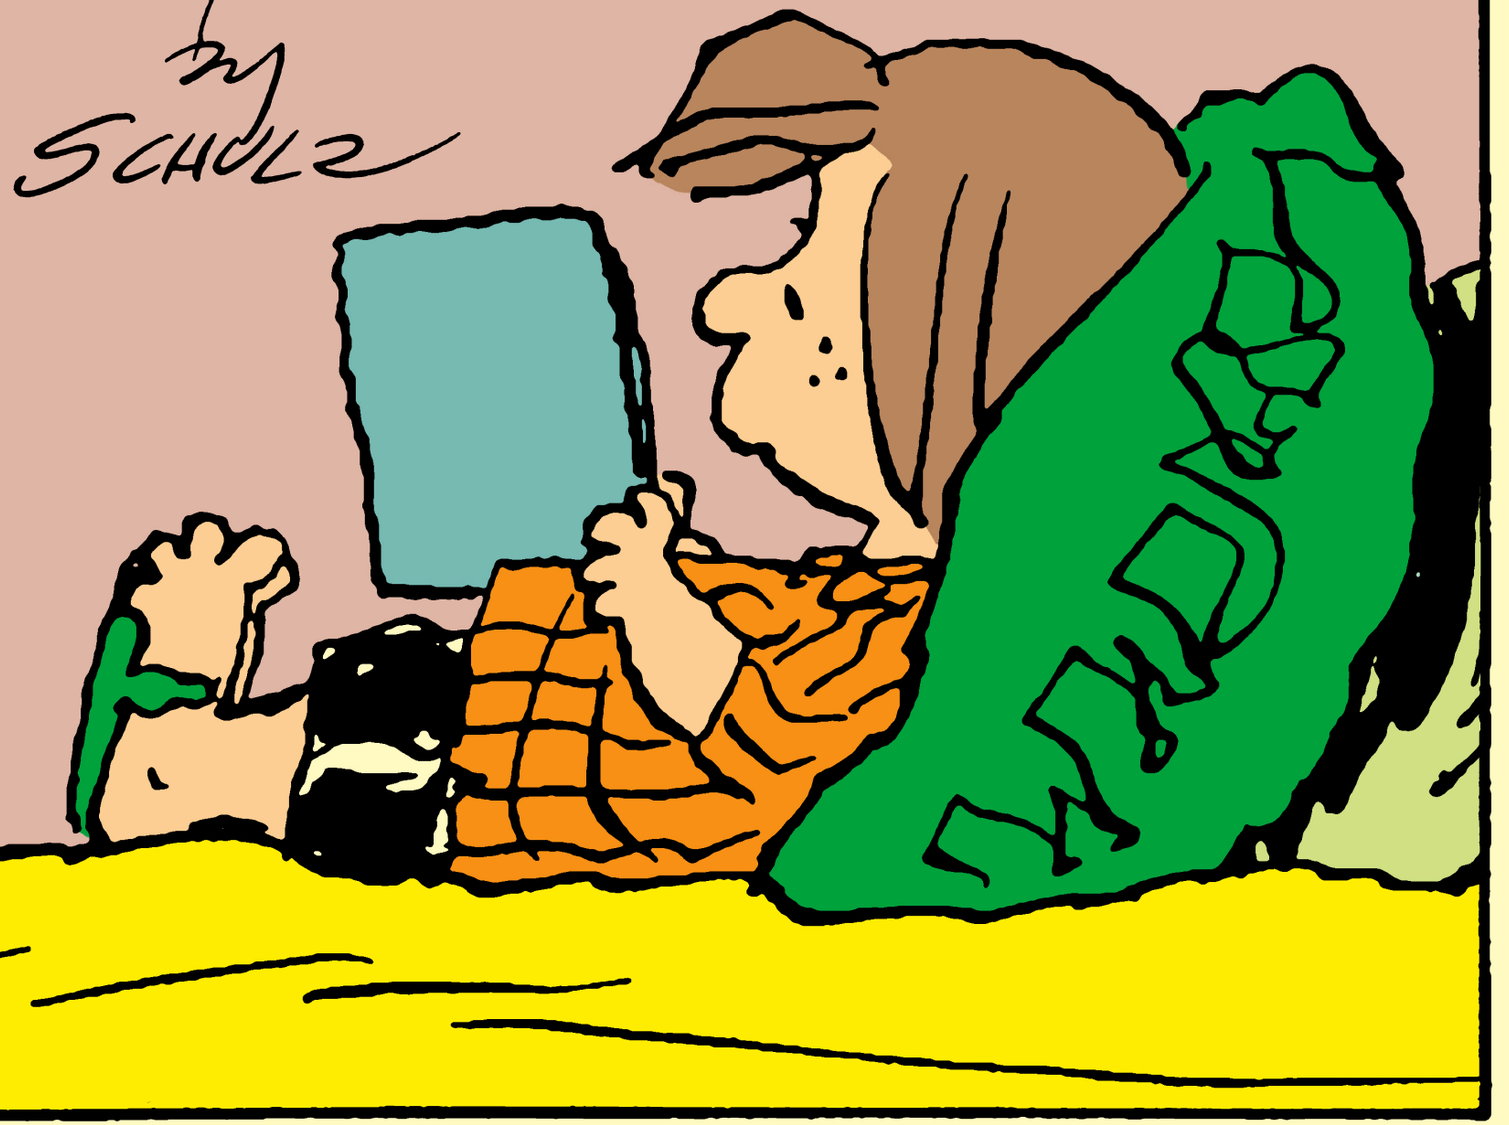
PEANUTS



"Charles M. Schulz is, plain and simple, a great artist and philosopher. He teaches all ages that if you can learn to laugh at the things that cause you the most pain you will be the strongest of all."

— John Waters

In this volume of *Peanuts Every Sunday*, Charles M. Schulz's intimate, imaginative comic strip—presented in lush color—comes to a close. Charlie Brown and Sally, Linus and Lucy, Snoopy and Woodstock, Patty and Marcie, Schroeder, Franklin, Pig-Pen, and Rerun are here to the end. Featured in this volume is Schulz's heartfelt farewell letter to his fans.
